

COVID-19 POOL RULES

1. Pool Hours: 9:00 a.m. to 8:00 p.m.
2. Honua Kai residents and guests only - no outside guests allowed.
3. No more than thirty (30) people allowed in the pool area at any given time.
4. Entry allowed on a first come, first served basis.
5. No person shall enter the pool area if, in the prior 14 days, the person: (a) has experienced symptoms of, tested positive for, or been exposed to someone with, COVID-19, (b) is subject to an order for self-quarantine, or (c) has been exposed to someone who is subject to an order for self-quarantine.
6. Social distancing is required.
7. Please use the same chair during your use. Do not switch chairs.
8. Face masks are recommended on the pool deck. Face masks should not be worn in the water.
9. Hands must be washed with soap or hand sanitizer before entering the pool area.
10. Violators may lose pool privileges.

No lifeguard on duty! The attendant is not a lifeguard.

COVID-19 SOCIAL DISTANCING REQUIREMENTS FOR POOL AREA

1. **Six-foot distances.** All persons shall maintain a minimum of six-feet of physical separation from all other persons to the fullest extent possible, except: a) for persons who are staying together in the same apartment; b) for anyone providing first aid or medical assistance; c) to the extent necessary to assist a disabled or handicapped person; or d) where a lesser distance is required for safety. This provision shall not be enforced in any manner that will violate fair housing laws.
2. **Face Coverings.** All persons are encouraged to wear non-medical grade face masks or cloth covering the nose and mouth when on the pool deck, except for:
 - a. Individuals with medical conditions or disabilities where the wearing of a face covering may pose a health or safety risk to the individual; and
 - b. Children under the age of 5

*** Face coverings should not be worn in the water.**

COVID-19 WARNING

COVID-19 is an extremely contagious disease that can lead to severe illness and death.

An inherent risk of exposure to COVID-19 exists in any commonly used area.

Use of the facilities is at your own risk!

Symptoms of Coronavirus (COVID-19)

Know the symptoms of COVID-19, which can include the following:

Symptoms can range from mild to severe illness, and appear 2-14 days after you are exposed to the virus that causes COVID-19.

***Seek medical care immediately if someone has emergency warning signs of COVID-19.**

- Trouble breathing
- Persistent pain or pressure in the chest
- New confusion
- Inability to wake or stay awake
- Bluish lips or face

This list is not all possible symptoms. Please call your medical provider for any other symptoms that are severe or concerning to you.

Stop the Spread of Germs

Help prevent the spread of respiratory diseases like COVID-19.

Stay at least 6 feet (about 2 arms' length) from other people.

Cover your cough or sneeze with a tissue, then throw the tissue in the trash and wash your hands.

When in public, wear a cloth face covering over your nose and mouth.

Do not touch your eyes, nose, and mouth.

Clean and disinfect frequently touched objects and surfaces.

Stay home when you are sick, except to get medical care.

Wash your hands often with soap and water for at least 20 seconds.
